## About NADC

The National Association of Dealer Counsel (NADC) is a nationwide professional organization of attorneys who represent automobile and other vehicle dealers. The NADC provides a forum for members to share information, common experience, and advice related to manufacturer franchise issues, lemon laws, vehicle finance, regulatory complexities, insurance laws, tax laws, buy/sell agreements, employment law, and many other issues facing dealers and their counsel today.

While NADC strives to include items from publications that do not have a subscription wall, occasionally items of particular interest to NADC members may be noted from subscription publications.
